

# BONNIE & CLYDE'S ABOVE GROUND POOLS & SPAS

**If you are searching for the ultimate relaxation experience** this summer, look no further than a luxurious above ground pool. No matter what shape or size you need, we have pools to fit every backyard currently in stock and ready for immediate enjoyment.

Bonnie and Clyde's Pools and Spas carries the largest variety of strong and sturdy above-ground pools. To make maintenance simple, all of our pools include large filter systems and come with options for top-of-the-line chemical systems and automatic cleaners.

## Included with All Our Pools

- Heavy Duty Vinyl Pool liner
- Wide Mouth Skimmer and Return Jet
- Sturdy A-frame Ladder
- Complete Pump and Filter System
- Deluxe Manual Maintenance Kit

**\$500 Value**

## Sharkline Reprieve

"Affordable summer fun with a superior steel frame!", that's the motto of the Sharkline Reprieve. Designed to not only last for many years but to look good doing it, this pool's steel structure is protected by a corrosion-resistant finish that prevents condensation from accumulating between the liner and the wall, plus helps keep your pool looking like new, year after year.

The Reprieve has subtle curves and smooth lines and will look great in any backyard. Bring home this budget-friendly steel pool to your Texas backyard, and you can look forward to many fun days in the water with your loved ones!

## Sharkline Reprive STR

Corrosion protection, interlocking stabilizers, and a steel frame are some of the reasons why the Sharkline Reprive STR lasts for years while also looking great. Built to withstand any environment and punishment, this pool is easy to put up and easy to maintain.

This model is perfect for families who want an above-ground pool that's a little deeper. Four inches may not seem like a big difference when you're comparing this model to the classic 48" high Reprive, but you'll definitely notice the extra height when you're swimming.

## Backyard Leisure Heritage STR

The embossed steel walls on this pool are attractive and the innovative design gives this pool added strength. The Heritage is built for superior stability. It has an interlocking steel stabilizer on the bottom, plus a hardware-free "snap-in" resin bottom cuff. Not only do these features work together to make a stronger pool, but they ensure installation is faster and easier, too!

At the top, the Heritage is finished with a Krystol Kote Finish steel top ledge and uprights, along with 2-piece molded ledge covers. This produces long-lasting beauty plus superior strength and performance.

## Backyard Leisure Spirit Resin

Built to stand up to wind, storms, and whatever Texas weather can throw at it, the Spirit by Backyard Leisure is crafted from high-impact resin and superior wall coatings. In both style and performance, the Spirit will stand the test of time!

Add a round or buttress-free oval pool to your backyard to make every weekend a mini-vacation.

## Backyard Leisure Maldives RTR Hybrid with Aluminum Wall

Indulge yourself with the classic elegance and beauty of the Maldives RTR Hybrid. It's the perfect oasis to escape the sweltering Texas heat! Round or oval, large or small, this beautiful pool will complement any backyard décor. Built to effortlessly weather the years, the Maldives has high-impact resin ledge covers, massive extruded resin ledges, and a rust-proof aluminum wall.

This braceless pool doesn't need buttresses (otherwise known as annoying side braces), which means even the largest oval pool has a smaller footprint.
